The 2006 NDHSCA Convention and Awards Banquet is history. So many positive developments occurred and will be used for building blocks for the future.

The Tuesday Seminars for Professional Development continue to be highlights and important elements to make the coaching education a vital and saleable product for North Dakota School Districts and Administrators. Nutrition was a key topic for this year's seminar and continues to be a focus for coaches to address both in the athletic classroom and for the public. Mike Moyer and Dr. Edwards will continue to be proponents for coaches to follow.

Mike Berg, Sherman Sylling, and Dr. Strand are quality speakers with individual messages to address all coaches of all sports. Their

delivery is matched only by the product. They will continue to be speakers for the future to enhance the NDHSCA professionalism concept.

Although the presentations from Pat Peake, Desiree Larson, and Pat Sweeney were unusual subject, the topics and presenters are very professional and are likely to be repeated in the future.

The importance of the Merit Care staff cannot be over-emphasized. They continue to be key to the convention success in their professional nature and the timeliness of topics. Peter Melanson is an outstanding clinician and his strength-training coordinator for the U.S. Olympic

Sherm Sylling Receives NHSACA DSA Award

Sherman Sylling received the NHSACA Distinguished Service Award at the NDHSCA Coaches Convention Awards Banquet in July. The NHSACA DSA Award is available to each state to be awarded as the state Coaches Association chooses. Each state has opportunity to identify a recipient in an eight-year rotation. North Dakota will next have opportunity to present the award in 2014.

At the March, 2006, NDHSCA Executive Committee Meeting, Sherman Sylling was identified to be the recipient because of his commitment to NDHSCA. He accepts the Association as the grassroots for action for each sports' activities.

President's Message

Welcome back to a new school year. The excitement and anticipation of the fall athletic season is upon schools across the great state of North Dakota. The recently completed NDHSCA convention was a tremendous success. Thank you to all who were in attendance. Also, a huge thanks to Gelaine and his hard working volunteer staff. Because of their efforts, North Dakota coaches have the assurance there will be a high quality convention and banquet each year.

North Dakota was very well represented at the National High School Athletic Coaches Association convention in Branson, Missouri in late June. Congratulations to Gelaine on his appointment as the NHSACA Executive Director. Coaches from all over the country will benefit from his leadership.

I consider it to be a great honor to begin my term as the NDHSCA president. Thanks to Scott Grochow and the leadership he has provided during the past year. I have some big shoes to fill. I am fortunate to have a superb executive board to "lean on" during my term.

We have a very strong membership in the NDHSCA. Please help us continue to grow in the upcoming year. Encourage non-member coaches to become members in their profession's association. As with any professional association, there is strength in numbers.

The opportunity to affect the lives of young student athletes through our involvement in the NDHSCA is very significant. Whether it is information obtained at a convention, an article from the *Dakota Coach*, or award-

ing a scholarship to a deserving young person, becoming a member is an excellent way to have a positive affect on our youth.

Keep in mind that our website at www.fargo.k12.nd.us/ndhsca/ is a great place to obtain membership forms, junior high and assistant coach of the year nomination forms, scholarship forms, and applications for the advisory committees. Also, if you feel there is someone in your community who deserves to be recognized for their achievements there are awards of merit and special recognition award nomination forms on this website as well.

I would like to wish everyone the best of luck in their respective athletic seasons and have a marvelous school year!

Dave

Dear Gelaine and NDHSCA Board:

I was greatly honored by you when I was selected to receive an Award of Merit. I want to give my humble and sincere thanks. To be recognized for a labor of love is unexpected, but certainly appreciated greatly. This is the highlight of a career that has blessed me.

Many Thanks,

Mike Berg, Head Football Coach
Grand Forks Central High School

Dear NDHSCA Coaches:

It was an honor for us to receive the Special Recognition Award at last night's banquet at the Doublewood Inn. It was a fun evening and we enjoyed ourselves.

Gelaine Orvik: NHSACA Executive Director

The National High School Athletic Coaches Board of Directors voted unanimously at its June meeting to appoint Gelaine Orvik as its Executive Director. Gelaine spent five years on the NHSACA National Executive Committee from 1984-1989 with his presidency in 1987-1988. He was on the NHSACA Board of Directors from 1979-1984 as an At Large Representative and Representative from Region 6. By virtue of his presidency, he has remained on the NHSACA Board of Directors since his Executive Committee term. He returned to the NHSACA Executive Committee as State Executive Secretaries' Representative for the past five years.

Gelaine was urged to declare his willingness to serve as Executive Director by President Rich Tompkins and Immediate Past President Dave Oman. The other members of the NHSACA Executive Committee endorsed Gelaine's appointment unanimously to the Board of Directors.

Gelaine has serviced the North Dakota High School Coaches Association since 1973. He served as Assistant Executive Secretary and *Dakota Coach* Editor from 1973-1979. When NDHSCA initiated its Coaches Convention in 1975, Gelaine and Carl Wall were Co-Chairmen while Bob King was the Conven-

tion Director. When Bob King resigned as NDHSCA Executive Secretary in 1979, Gelaine was appointed and continues as Executive Secretary and Convention Director concurrently.

In a letter to NDHSCA Past Presidents and NDHSCA Executive Committee, Gelaine clearly expressed that acceptance of the appointment would not in any way deter from his service or his role with NDHSCA. The NDHSCA Executive Committee has endorsed Gelaine's dual role.

Gelaine also attributes the great fortune of being a coaches' leader to be a direct gift from the North Dakota's coaches who have supported him throughout the past 34 years. He thanks the North Dakota coaches for their sensational assistance, sustenance and care at every level.

The coaching leadership from North Dakota and from across the nation has been superlative in their response to Gelaine's appointment as well as to his request for assistance at every level. He continues to stress teamwork and staff cooperation to attain success. Although some tasks will continue to be complicated, Gelaine has already made in-roads to mend bridges from the past.

Letters

August 22, 2006

NDHSCA:

First of all, I would like to congratulate the NDHSCA for once again organizing a great 2006 coaches' convention. I really appreciate the efforts of Gelaine and the Board of Directors for emphasizing and developing the professional side of coaching. I believe we have a large number of outstanding coaches in our State because of efforts such as this.

I would also like to thank the North Dakota High School Coaches Association for being responsible for me receiving the National Distinguished Service Award. I had no idea this award was coming my way. Part of me says I should not receive an award for doing what is expected of me, but a larger part of me makes me proud to be recognized by such a great organization. Words are unable to express the gratitude I feel.

Your efforts in the promotion of coaching ethics and promoting coaching as a profession are most appreciated. Our student-athletes are true benefactors when exposed to a good coach who is able to teach all aspects of the game as well as being instrumental in the development of good character.

NDHSAA views the North Dakota High School Coaches Association as a valuable partner in doing what we do. Hopefully we can do our part because you are certainly doing yours.

Sincerely,

Sherman Sylling

To NDHSCA:

Dear Gelaine,

Thank you so much for presenting me with the Award of Merit. It was a real honor to attend your banquet and receive the award. I have really enjoyed working with you and your Association. Even with recent occurrences, I am hopeful to be able to continue working with you in the future.

Also, congratulations on your recent appointment as Executive Director of the National Association.

Again, thank you very much.

Sincerely,

Marlene Bischoff

NDHSCA Appoints Randy Johnson

Randy Johnson, Hazen High School, has been appointed to be NDHSCA Assistant Executive Secretary. The action is a result of Executive Committee action at its July Meeting.

Randy will be responsible for various assignments for and at the NDHSCA Coach of the Year and Hall of Fame Banquet. The Executive Secretary and Randy will meet in September to outline his duties and responsibilities. Randy's organizational and communication skills were key factors for the Executive Committee's decision to appoint him.

Randy is head boys' basketball coach and head boys' track and field coach at Hazen High School. He is beginning his 20th year of coaching. He has also served as an assistant coach in boys' basketball, girls' basketball, and boys' track and field. He is a graduate of North Shore (Makoti) High School and Minot State University.

Randy has served as NDHSCA president, which includes five years on the NDHSCA Executive Committee. While on the Executive Committee, he was a participant in the organization of the NDHSCA Sportsmanship Program. Randy has completed the NDSACA National Certification program.

Convention Review - continued from page 1

Training Centers attests to his knowledge and perception.

The Convention continued to display outstanding quality presenters again. Every sport had quality and unique coaches to share knowledge and keys to success. Every sport had presenters that were requested by individuals, advisory committees and/or convention meeting suggestions. Every sport can proudly point to quality individuals who want to return for presentations in the future.

Of course the highlight of the week, as usual, was the Coach of the Year and Hall of Fame Banquet. In addition to each sports hon-

oree, the three Hall of Fame inductees provide a special success flavor for aspiring coaches. The Award of Merit, Special Recognition and scholarships recipients are a group that merits pride from the Association, individual coaches and the athletic community.

NDHSCA has initiated speaker contacts for 2007 and contends to produce another attractive cast of presenters and topics in July at the Mandan Seven Seas Convention Center. NDHSCA urges coaches to arrange their calendar today to have July 24th through 27th reserved for professional development. ≈

Sherm Sylling Award - continued from page 1

He is committed to the Advisory Committees as the source of all recommendations for each sport. He contends that each sport is an individual entity and each sport, regardless of its fan popularity or revenue production, is entitled to identical consideration.

Additionally, Sherman directs the focus of the NDHSCA Convention activities to include professionalism, ethics and our profession. The coaching public

of the state recognizes Sherman's modesty and blue-collar approach to his position. He is a deeply-religious man with family-centered values. He loves to fish with his son and regularly spends weekends at rodeos where he continues his riding competition.

NDHSCA congratulates Sherman and wish him and Jackie a great year.

NDHSCA Victory Milestones

Please help the NDHSCA keep your records current. Each coach must send their record at the completion of each season. If coaching more than one sport, complete each sport on a separate form. If you are completing the victory milestone for the first time, make sure to give your record for each year. Report only the highest level of coaching each season. Don't add coaching seasons together (ex. if a coach is coaching both jr. high boys basketball and varsity basketball, count only the varsity basketball record for that season). If coaching both varsity girls' and varsity boys' basketball, count each season on separate forms and don't add together as one record. Under the new format for counting victories in certain sports such as track and field, cross country, tennis, golf, swimming, and gymnastics; the old records will need to be updated. Remember to keep each sport season separate and always report the highest level of coaching in each sport.

Mail completed form/s to: Gelaine Orvik; 3457 - 26th Avenue South; Fargo, ND 58103. Awards will be sent upon request after records are updated.

Procedure For Determining Won/Loss Records In An Invitational Meet:

- A. In an invitational meet, the teams that finish below you will count as victories, those that finish above you are losses. Any teams that you tie will count as a win.
- B. Figure out the total number of teams you have competed against and what percentage of those teams were wins and losses.
- C. Take the percentage of wins/losses from above and multiply it against the number of meets you participated in to arrive at your won/loss record for the season.
- D. If this is not a whole number, victories will always be rounded down and losses will be rounded up. (Obviously, if your team has participated in ten meets during the year, your wins plus losses should equal ten.)

Sport	Cat. 1	Cat. 2	Cat. 3	Cat. 4	Cat. 5
Baseball	75	150	225	300	375
Basketball	100	200	300	400	500
Cross Country	50	100	150	200	250
Football	50	100	150	200	250
Golf	45	90	135	180	225
Gymnastics	45	90	135	180	225
Hockey	100	200	300	400	500

Sport	Cat. 1	Cat. 2	Cat. 3	Cat. 4	Cat. 5
Soccer	100	200	300	400	500
Softball	75	150	225	300	375
Swimming	50	100	150	200	250
Tennis	50	100	150	200	250
Track/Field	50	100	150	200	250
Volleyball	150	300	450	600	750
Wrestling	75	150	225	300	375

- Only meets in which three or more schools participate will count as an invitational.
- Schools can still have a dual meet record that would remain the same along with a record for the invitationals they attend.
- It will be up to the individual coaches to determine their records from past years and update wins or revise their victory milestone forms.

Example:

Meet 1	11 teams	7 wins	4 losses
Meet 2	4 teams	0 wins	4 losses
Meet 3	6 teams	6 wins	0 losses
Meet 4	5 teams	4 wins	1 loss
Meet 5	7 teams	5 wins	2 losses
Totals		5 meets	33 teams
		22 wins	11 losses

Winning % equals 22/33 = 67% 5 meets x .67=3.35
 Losing % equals 11/33 = 33% 5 meets x .33 = 1.65
 Your record for the season would be 3 wins and 2 losses for invitationals.
